It is not known under what

45 ✓ Kumbhal is a Municipality
cl. under the rules regulating
elections to the Municipality. The D.O.
is competent under rule 35 thereof
to postpone the date of elections.
This is therefore a matter which
is within the competence of the D.O. to
take such action as he deems fit,
having regard to the prevailing local
conditions. Hence no orders of Govt
appear necessary.

— 3 Further, eight out of the eleven
stages of the calendar year have
been completed by now (24 8 42). The

final list of candidates has also been
published on 12 8 42 and the voting
papers ^{would} have also been printed by this time
It would be a waste of money if
the postponement of the election is now
ordered, as the election actually came
off on the way to vote. Further
want of need also, no order of that
appears necessary -- at present, it was
up to the D.C. to have taken action in
time, if it was considered necessary
by him to postpone the election to the
future

It may be too late to postpone

trouble is apprehended
it may be better to leave
it as is. The D.C. may be sent to the D.C. for
